Academic and Student Affairs Committee Meeting July 21, 2010

SUBJECT: Summary of Academic Program Actions for the 2009-10 Academic Year (INFORMATION)

UNIVERSITIES AFFECTED: All

BACKGROUND: During the 2009-10 academic year, with the approval of the Board of Governors, PASSHE Universities added two graduate and two undergraduate degree programs to their curricular offerings. During the same period, fifty-one programs were placed in moratorium, twenty-one programs were reorganized, and fifteen programs were discontinued.

A complete list of program actions for the academic year follows, including reorganized programs at PASSHE Universities is attached.

Supporting Documents Included: Academic Program Actions, July 1, 2009 – June 30, 2010

NOTE: Placing a program in Moratorium means that students will no longer be admitted during the period of moratorium. Students currently enrolled or admitted will be allowed to complete the program. The university will assess the program's potential and either redesign or suspend the program. Normally the period of moratorium lasts no more than five years.

DISCONTINUED PROGRAMS

University	Program Name	Degree
California	Tourism	MS
Cheyney	Apparel and Textiles	BS
Clarion	Geography	BS
East Stroudsburg	Liberal Arts and Sciences	BA
East Stroudsburg	Humanities Studies	BA
East Stroudsburg	Biological and Physical Sciences	BA
East Stroudsburg	Physical Sciences	BA
